IN RE: Application of Midwest Fibernet, Inc. for) ORDER
a Certificate of Public Convenience and) APPROVING
Necessity for Authority to Operate as a) CERTIFICATE
Reseller of Intrastate Interexchange)
Telecommunications Services Within the State)
of South Carolina.)

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Midwest Fibernet, Inc. (MFI or the Company) requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of telecommunications services in the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1993) and the Regulations of the Public Service Commission of South Carolina.

The Commission's Executive Director instructed MFI to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of MFI's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. MFI complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No Petitions to Intervene or protests were received by the Commission.

A public hearing was commenced on March 9, 1995, at 11:00

a.m., in the Commission's Hearing Room. The Honorable Rudolph Mitchell, Chairman, presided. MFI was represented by Frank R. Ellerbe, III, Esquire; Florence P. Belser, Staff Counsel, represented the Commission Staff.

In support of its Application, MFI presented the testimony of Daniel J. Anderson, Division Manager - Expansion Markets. Mr. Henderson explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a non-facilities based reseller. Mr. Anderson described the Company's services, its managerial, technological, and financial resources, and its marketing procedures. Mr. Anderson stated that MFI will provide its services in compliance with the Commission's rules and regulations. Counsel for MFI announced that MFI would withdraw the tariff provisions relating to operator assistance services and that operator services would be provided by the underlying carrier.

After full consideration of the applicable law, the Company's Application, the evidence presented by the Company and the Commission Staff, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. MFI is incorporated under the laws of the State of Illinois, and has received a Certificate of Authority to Transact Business as a Foreign Corporation in the State of South Carolina.
2. MFI operates as a non-facilities based reseller of interexchange services and wishes to do so in South Carolina.
3. MFI has the experience, capability, and financial

resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to MFI to provide intrastate interLATA service and to originate and terminate toll traffic in the same LATA, as set forth herein, through the resale of intrastate Wide Area Telecommunications Services (WATS), Message Telecommunications Services (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for MFI for its resale services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. MFI shall not adjust its rates below the approved maximum level without notice to the Commission and to the public. MFI shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint

Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1993).

4. MFI is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

5. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if they so desire.

6. MFI shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If MFI changes underlying carriers, it shall notify the Commission in writing.

7. With regard to the origination and the termination of toll traffic in the same LATA, MFI shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

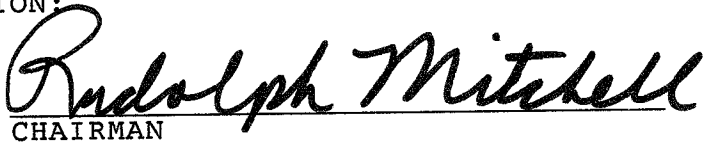

8. MFI shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

9. MFI shall file its revised tariff and accompanying price

list reflecting the findings herein and its agreed upon tariff changes within thirty (30) days of the date of this Order. The revised tariff shall be consistent with the Commission's Rules and Regulations. Further, the tariff shall be filed with the Commission in a loose-leaf binder.

10. This Order shall remain in full force and effect until further Order of the Commission.
